Dear Sandra Day O'Connor,

Congratulations! Your worksite meets the Healthy Arizona Worksite Platinum award criteria. All awardees will be recognized at the Healthy Arizona Worksite annual event on May 22, 2018 from 1pm-3pm in Phoenix. Please plan to attend.

The Healthy Arizona Worksite Award recognizes businesses that are making efforts to positively affect the health and well-being of their employees, their families, and their community through evidence-based worksite health initiatives and promising programs. A Platinum Level Award is awarded to businesses making an impact both within and beyond their walls addressing one or more of the many health challenges impacting communities across the state. Sandra Day O'Connor has demonstrated data driven programming and is leveraging cross-sector collaborations or partnerships improving the health, well-being, and equity of their community.

Sandra Day O'Connor will be recognized by the Arizona Department of Health Services for all your efforts. Your worksite will also be featured in statewide communications and on the Healthy Arizona Worksite Program website. Congratulations, we look forward to seeing you there!

Sincerely,

Sherry Haskins, MPA
